Property Description

Discover a hidden gem: a peaceful and charming Caribbean-style hotel, tucked away in a lush tropical garden just minutes from town and the beach. With 15 cozy and comfortable rooms and apartments spread over four distinct buildings, this hotel offers an intimate and authentic experience for guests.

Composed of several buildings on the front side with a total of 19 bedrooms and studios

+ 4 single bedrooms on the second floor
+ 4 single bedrooms on the first floor
+ 3 studios with kitchenette
+ 4 one-bedroom apartments

The colonial-style building, Casa Colonial, sits at the back of the lot, with ample parking and four well-appointed apartments.

Immerse yourself in the tranquil surroundings and enjoy the potential to add your own personal touch with the option to build a swimming pool. Despite not being listed on any accommodation platform, the hotel enjoys a loyal following of satisfied customers who return year after year and refer their friends and family to this hidden oasis.

Take advantage of this unique investment opportunity and own a piece of paradise in this highly sought-after location.
