Property Description

Discover the perfect harmony of modern Caribbean style with a touch of Japanese influence in these two stunning villas, ideally perched on a gentle hillside. Each villa is thoughtfully designed on a single level with a spacious terrace that beckons you to embrace the serene beauty that surrounds.

Positioned for ultimate convenience, these homes are just a short 5-minute drive to the beach and all city facilities, allowing you to enjoy the best of both worlds - the tranquility of the hillside and the vibrant life by the sea. The location provides not only easy access to everything but also offers beautiful views of nature and the ocean in the distance, making every day a picturesque postcard.

Set within a growing yet still remarkably peaceful neighborhood, these villas are an oasis of calm. The living spaces are designed to seamlessly blend with the outdoors, thanks to sliding doors that disappear into the walls, allowing the living room, dining room, and kitchen to open up to the natural beauty outside.

Each villa features a separate living room that can be easily transformed into a secondary bedroom, along with a spacious bathroom and a generously sized bedroom that leads to a lush, green courtyard adorned with vibrant plants. It's the perfect fusion of modern comfort and natural serenity.

Don't miss this rare opportunity to own a piece of paradise with a modern Caribbean flair and a hint of Japanese elegance. These homes are your ticket to a life of peaceful luxury with easy access to the vibrant heart of the city and the breathtaking beaches nearby.
